

CREM ONE

This is The ONE.

Keeping the soul of the iconic Office Leva, the ONE has been thoughtfully created.

Perfect for the home or office, this ONE packs a lot of features into its compact stainless-steel body. The machine is fully self-contained with its inbuilt water tank and drip tray.

If you really want to feel like a true barista in your own home, then this is the perfect machine for you! Able to pour your coffee shot while you froth your milk, so there is no time to wait.

The Leva on this machine, gives you full control over your coffee shot.

A great new look to really draw your attention to! A full mirror polished stainless-steel exterior with an advanced menu setting on the display screen. Temp and Time User Interface to time all your coffee shots. An auto ON/OFF, standby and ECO mode. Now comes with ½ turn steam and hot water knobs. An independent water tank lid and a removable drip tray grill for your taller cups. Also, a great new feature this ONE comes with is an interchangeable mains connection and water tank feature. So now you can decide whether to have your machine running straight off mains water or the traditional water tank hidden inside the machine.

TECHNICAL SPECIFICATIONS

- Functionality: Semi-Automatic Control
- Power Requirements: Single Phase
- Maximum Installed Power: 10 amps
- Boiler Size: 1.7 ltrs
- Boiler Composition: 99.9% Pure Copper
- Automatic Boiler Filling: Yes
- Manual Boiler Filling: Yes
- Heating Element Power: 2000 watts
- Hot Water Outlets: 1
- Steam Outlets: 1
- Steam Pressure Gauge: Yes
- Pump Type: Vibration
- Standards Compliance: CE
- Pump Pressure Gauge: Yes

Weight: 35kg

Dimensions: 46 x 30 x 42 cm

CREM ONE

4 DIFFERENT MODELS AVAILABLE

1) ONE Single Boiler Vibration Pump PID

- 1.7L single boiler
- Vibration pump
- Cool touch wands
- Half turn knobs
- Barista kit
- Smart drip tray
- Auto water tank & mains connection
- Temp & time display with 2 buttons

Wooden kit available (option)

3) ONE Dual Boiler Rotary Pump – GSP PID

- 1.7L + 1.2L dual boiler
- Gradual soft pre infusion
- Rotary pump
- Double manometer
- Half turn knobs
- Smart drip tray
- Auto water tank & mains connection
- OLED display with 4 buttons
- Barista kit pro

Wooden kit available (option)

2) ONE Dual Boiler Vibration Pump PID

- 1.7L + 1.2L dual boiler
- Vibration pump
- Cool touch wands
- Half turn knobs
- Smart drip tray
- Auto water tank & mains connection
- OLED display with 4 buttons
- Barista kit pro

Wooden kit available (option)

4) ONE Dual Boiler Rotary Pump Pressure Profile PID

- 1.7L + 1.2L dual boiler
- Gradual soft pre infusion
- Low flow pressure profile
- Rotary pump
- Double manometer
- Barista kit pro
- Pressure knob
- Half turn knobs
- Smart drip tray
- Auto water tank & mains connection
- OLED display with 4 buttons
- External USB port

Wooden kit available (option)
