

EXPOBAR – 1 GROUP OFFICE CONTROL

Perfect for the home or office, this Expobar Office Machine packs a lot of features into its compact stainless-steel body.

The machine is fully self-contained and requires no plumbing in, with its inbuilt water tank and drip tray.

If you really want to feel like a true barista in your own home, then this is the perfect machine for you!

Able to pour your coffee shot while you froth your milk, so there is no time to wait.

Fully automatic 1 Group Espresso Machine with electronic switchboard to control the coffee dosages volumetrically. A 2.75 litre water tank with a copper boiler with 1.5 litre capacity with heat exchanger and a large 2000 watt heating element for unlimited steam production. One steam tap (stainless-steel) and one hot water tap.
