

MACAP – M2E

The Macap M2E is particularly suitable for beginners in the world of coffee.

The programmable timer and the precisely adjustable grinder ensure high quality.

The M2E comes with a height adjustable portafilter fork to fit all group handles.

A great grinder for home use!

The Macap M2E offers a digital screen with three programmable doses or manual dosing if preferred. With the stepless adjustment system for grind adjustment, this tiny but powerful grinder is the perfect companion to your home espresso machine.
