

EXPOBAR – RUGGERO 3 GROUP

When you truly want an espresso machine to stand out above the rest, the RUGGERO is the one. Express yourself, your colour, your design, your logo.

With a customised coloured body and a light display panel that advertises your business. Craftmanship, quality and exclusivity... These are the features that make the RUGGERO a truly spectacular espresso machine.

Exclusive to Disave Espresso Equipment Suppliers every RUGGERO is hand assembled in Melbourne and custom made to order.

An illuminated signage on front of machine for maximizing exposure with a hand-made fibreglass body for strength and durability; in a colour to suit your business. Has four programmable volumetric dosages for each group which also has an automatic back flush program. Direct pre infusion chamber on each group and also has a 99.9% pure copper boiler. This is an automatic espresso coffee machine with 3 groups, electronic switchboard to control the coffee dosages volumetrically and manual override group switch per group. Automatic water filling, copper boiler with 17.5 litres capacity with heat exchanger per group. Two steam taps (stainless-steel) and one hot water tap.
